

POSITION DESCRIPTION

Canterbury Hockey – Junior Representative Head Coach

Responsible to: Canterbury Hockey CEO/Community Hockey Manager

Key Relationships: Team Management and squad members.

Main Objectives:

1. To lead the team's programme to ensure the players and management have the opportunity to reach their potential through excellent leadership, technical and tactical coaching.
2. Provide an environment to allow the team to develop throughout the campaign and excel at their major tournament.
3. To become a better coach.

Key Tasks

- 1 Contribute as appropriate in selection process.
- 2 Be responsible for the total preparation of the team, (training, fitness, motivation and strategy).
- 3 Be responsible for the continued development of players.
- 4 Monitor player workloads.

Desired Outcomes

- Selection panel convened and the best players selected in each team at that age group.
- Development of the team and competitive team performances.
- Players provided with individual feedback on performances. Promotion of good work ethics and attitudes to benefit both the individuals and the team.
- An awareness of other hockey and sport commitments and potential for overtraining.
